

Division of Longshore and Harbor Workers' Compensation (DLHWC)

Longshore Authorized Carriers and Self-insured Employers

The tables below show insurance carriers and self-insured employers that are currently authorized to write coverage under the Longshore and Harbor Workers' Compensation Act (LHWCA, depicted under ACTS COVERED as LS) and/or extensions. In very few cases an authorization date under an extension to the LHWCA (extensions include The Defense Base Act (DB), The Outer Continental Shelf Lands Act (OC), The Non-Appropriated Fund Instrumentalities Act (NF) and/or District of Columbia Workers' Compensation Act (DC)) will differ from the date shown.

The first table below shows authorized insurance carriers, the second table shows authorized self-insured employers. To find the second table, either scroll down the page or click on [authorized self-insured employers](#).

If there are any questions regarding authorization dates or any other specific information about a carrier/self-insured employer, please contact the Longshore National Office (202) 693-0038.
